

*Kirkland*  
FAMILY FOODS

Kirkland Family Foods goal is to offer basic foods that retain their quality and nutritional value for your long-term storage needs.

Not only are our products a great way to prepare for your family's safety and convenience, they are also an excellent source of vitamins, nutrition, and taste great too!

**Shelf life of our products is 30+ years with storage in a dry place at or below 75° (24°c.)**

FAMILY FOODS

*From our family  
TO YOURS...*

BLESSINGS,  
*The Kirkland Family*

We offer products that are packaged for long-term storage to provide a reliable source of nutritious meals.

Our packaging process allows foods to stay protected from atmospheric conditions, insects, and other factors that often affect the quality of long-term storage.

Our foods are not only great tasting, but an inexpensive way to provide your family with healthy meals.
